Leadership Education and Training
Let 1 Pacing Guide

Course Description: This year long course is designed to provide for the successful transition of students into high school and for their motivation to achieve successfully throughout their high school experience and beyond. The course strives to develop in each student a positive self-image, self-confidence, motivation and a positive attitude toward learning. Individual guidance and direction is provided from the Instructors with an emphasis on developing attitudes and study skills that will enable each student to make the high school experience a success.
