WHAT IS THE Z-PAC?

Wayne Memorial High School's Parent Advisory Council is a group of parents whose goal is to fund and plan programs for the students outside the normal school day. The Z-PAC also works with the administration on new programs and is kept informed on current legislation and policies which affect public education.

CURRENT PROJECTS:

Scholarships: Two scholarships are given to seniors who would not otherwise receive a scholarship.

Homecoming: Parents can be involved by helping chaperone, assisting with the food and helping clubs with their float building.

Reality Store in conjunction with Wayne Business & Professional Women's Organization: Parents will assist the Wayne Business & Professional Women in their annual Reality Store for 9th graders.

Celebrate Wayne: In the spring of each year 8th grade students are invited to Wayne Memorial to learn about the activities they can join.

Senior Class Farewell Event: Each year, the Z-PAC hosts a farewell event for the senior class. Funds for the event are raised by the Z-PAC through an adult formal dinner.

Other projects may be explored and added based on the interest of the group.

WHY GET INVOLVED?

Students whose parents are involved in the education process typically do better in school.

Parents can provide a support system to the staff.

Parents are important in the North Central accreditation process.

Parents who are informed about what is happening in education can be a voice at the local, state and federal level.

WHEN & WHERE ARE THE MEETINGS?

Meetings are typically held the first Monday of each month from August to June in the Wayne Memorial Media Center at 5:45 p.m. Access to the Media Center staircase is through the center set of double doors off 4th Street.

Please check your weekly email from the principal for dates.
