

September 11, 2022

Good evening Wayne-Westland Students, Families and Staff,

Our students continue to do a great job getting acclimated to being back in school. Teachers and administrators continue to focus on relationship building, school and classroom procedures, and introducing curriculum. We look forward to next week being our first full week of school.

It is important that all families complete the [Meal Magic form](#) by October 3, 2022. Even with all students in the district eligible for free breakfast and lunch, it is imperative for all families to fill out this form still. Copies of the form are also available at the front office of each school.

  - Purchase technology, supplies and interventions for student
