Good evening Wayne-Westland Families,

We had a successful first week of school! Our students and staff were happy to be back in the classroom. This week was full of learning the processes and procedures in their classrooms and schools. Staff also focused on building relationships and getting to know their students. Relationship building will continue throughout the school year. Check out some back to school photos on our District [website](#) and [social media](#) platforms.

Please see the information below that can help you and your family have a smooth start to the new school year.
