BOARD RIGHTS and RESPONSIBILITIES

2.1

Nothing contained in this agreement shall deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Laws or any other national, state, county, district, or local laws, or regulations as they pertain to education.

The Board retains the right and shall have the right to manage and conduct its obligation in accordance with the laws of the State of Michigan subject only to the condition that it shall not do so in any manner which constitutes a violation of this Agreement. Without limiting to any extent the generality of the foregoing, the Board shall have the right to promulgate at any time and to enforce any rules, policies, and regulations which do not violate the terms of this Agreement, and which it considers necessary or advisable for the safe, effective, and efficient operation of the District. Any Member who violates or fails to comply herewith shall be subject to such provisions of this Agreement which relate to discipline or discharge.

The Board, Superintendent, or designee retains the right, among others, to establish and equitably enforce reasonable rules and personnel policies relating to the duties and responsibilities of Members which are not inconsistent with the specific provisions of this Agreement and which do not otherwise directly affect wages, hours, terms, and conditions of employment. If the Board contemplates a change which directly affects wages, hours, terms, or conditions of employment, such matters will be negotiated with the Association prior to implementation.

2.2

Except as otherwise specifically provided in this Agreement, the Board has the sole and

exclusive right to exercise all the rights or functions of management.

Without limiting the generality of the foregoing, the Board's rights include:

1. The right to manage and control the school system and its properties, facilities, and the activities of its employees during working hours.
2. The right to hire all employees and, subject to the provision of law, determine their qualifications and the conditions for their discharge or demotion, and to promote and transfer all such employees.
3. The right to adopt and enforce any reasonable rules, policies, and regulations which it deems advisable for the safe, efficient, and effective operation of the school district.
4. The right to determine the conditions, methods, means, and personnel by which the school district's operations are to be conducted.

2.3

The Board agrees that it will not enter into any Collective Bargaining Agreement with any Member or with any other collective bargaining organization or individual on behalf of Members during the term of this Agreement.

2.4

The parties agree to meet and discuss any matter relating to this Agreement at the request of either party.

ARTICLE 3

ASSOCIATION RIGHTS and RESPONSIBILITIES

3.1

Nothing contained herein shall be construed to deny or restrict any Member's rights s/he may have under the Michigan General School Laws. The rights granted to Members hereunder shall be deemed to be in addition to those provided by law and the Member's individual contract of employment. Board policies, not in conflict with the Master Agreement, shall remain in force.

3.2

The Association may use school facilities and equipment upon written application on required *Use of Facilities* forms. It is agreed that District equipment shall not be removed from the school property without prior approval. The Association shall pay for the current cost of all materials and supplies incidental to such use.

3.3

The Board agrees to furnish, within a reasonable time, information requested by the Association concerning finances of the District and all documents required under PERA as defined.

3.4

The Association may use the District's communication systems provided such use does not disrupt the normal business of the District nor cost the District extra money. The Association agrees that it will clearly identify union business and take responsibility for all materials communicated through these systems.

3.5

The Board agrees that the private life of any Member is not normally a matter of concern of

the Board unless it affects the ability of the Member to carry out his/her professional functions and/or responsibilities or to act as a representative of the District.

3.6

Each Member shall have the right to review any of the contents of his/her personnel file. All such reviews shall be made in the presence of the Assistant Superintendent of Human Resources and Support Services or his/her designated representative and an Association representative if the Member so wishes. Privileged information, such as confidential credentials from universities and other items relating to personal references normally sought at the time of employment, are specifically exempt for such review. Such files may not contain a reprimand for a period of time in excess of two years, provided no additional reprimand occurs during the said two-year period.

3.7

The Board and the Association recognize the responsibilities imposed on the Association and will grant permission and a reasonable amount of time to the designated representatives of the Association to investigate grievances and to transact other Association business during working hours. Approval must be received from the Assistant Superintendent of Human Resources and Support Services.

3.8

ARTICLE 5

EMPLOYMENT SECURITY

5.1

A dismissal of a Member, following due process procedures and in a manner that is not arbitrary or capricious will negate the remaining portion of the individual contract.

5.2

The Board shall offer each Member a one-year individual contract, the terms of which shall not conflict with the terms and conditions of this Agreement.

5.3

Before involuntarily transferring, not renewing a contract, or changing the status of a Member, the Board shall offer reasonable assistance to the Member in correcting the inadequacies giving rise to the reasons for the contemplated action. The affected Member may request Association representation at each level of the due process procedure.

1. Conferences shall be held between the Member and his/her immediate supervisor dealing with the clearly identified inadequacies. Inadequacies and suggested remedies will be committed to writing if the Member so requests.
2. If the identified inadequacies persist, a formal warning shall be issued to the Member which contains specific inadequacies and suggested remedies in writing, with appropriate timelines as determined by the Superintendent.

If the identified inadequacies continue to persist, a formal review of the Member's performance shall be written and presented to the Member.

5.4

The District will only discipline a Member in a manner that is fair and reasonable (not arbitrary or capricious).

5.5

In order to encourage the harmonious and expeditious resolution of complaints against Members, their programs, and/or their subordinates, the District shall re-direct the complainant

to the Member as the first step in the resolution process.

5.6

Copies of all written complaints will be forwarded to the Member.

5.7

The Board agrees that prior to overruling any Member relative to student discipline, it will afford the Member the opportunity to present the rationale for that discipline decision.

5.8

Any Member not identified as Ineffective or Minimally Effective who has been removed because of job eliminations shall be offered a W-WCOAA position for which s/he is qualified prior to the placement of any person from outside of the Association. The Superintendent, after consulting with the Association, shall determine internal W-WCOAA placements prior to the placement of the returning Member.

5.9

A Member whose status is changed to a lower job classification assignment because of reduction in the number of W-WCOAA positions shall be compensated at the rate of his/her individual contract for the duration of the school year.

5.10

Any Member wishing to return to a teaching position must notify the Human Resources Division and the W-WEA, in writing, no later than April 1 of any work year.

5.11

No Member will be deemed to be granted continuing tenure in any position covered by this contract or any other administrative or non-classroom position previously held. Continuing

tenure obtained or retained shall not be for any position other than that of a classroom teacher by virtue of this contract.

5.12

Should it become necessary to reduce the number of positions in the Association, the District will inform the Association of the reasons for the reductions. The Association shall be given the opportunity to suggest alternatives to such reductions before the reductions are acted upon. Members not entitled to notice by statute whose positions are scheduled to be eliminated shall be given written notice of such no later than June 1.

5.13

Members transferring to another bargaining unit shall carry over their sick banks, as allowed by that union contract.

5.14

Members who are involuntarily transferred shall be transferred, if possible, to comparable positions and shall not suffer any reduction in salary (and/or compensation) during the life of their individual contracts. 5.15

The District agrees to consider volunteers before involuntarily transferring any Member.

5.16

The District agrees to consult with the Association prior to the creation of any new Association position(s) or prior to any reorganization which may affect any Association position(s).

5.17

The District agrees to negotiate with the Association the rates of pay, wages, terms, and working conditions of all new Association positions or any change which significantly alters the responsibilities of a current position.

The parties agree that decisions about the development, content, standards, procedures, adoption, and implementation of the method of compensation required under section 1250 of the revised school code, 1976 PA 451, MCL 380.1250, decisions about how an employee performance evaluation is used to determine performance-based compensation under section 1250 of the revised school code, 1976 PA 451, MCL 380.1250, decisions concerning the performance-based compensation of an individual employee, or the impact of those decisions on an individual employee or the bargaining unit are not subject to negotiations or this Agreement

ARTICLE 6

GRIEVANCE PROCEDURE

6.1

A grievance is a complaint by a Member, a group of Members, or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.

6.2

A Member or group of Members who file an administrative complaint or civil action arising from or relating to a violation, misinterpretation, or misapplication of any provision of this Agreement, by so doing, waive(s) his/her/their right(s) and any right(s) the Association may have to pursue or enforce a grievance or remedy under this Article.

6.3

The term “days”, when used in this Article, shall mean working days. Time limits may be extended by written agreement by both parties.

6.4

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participant(s).

6.5

The time limits specified hereinafter for movement of a grievance through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the Association fails to appeal a grievance or grievance answer within the particular time limit, the involved grievance shall be deemed to be abandoned and settled on the basis of the District’s last answer. In the event that the District shall fail to supply the Association with response to a hearing at a particular level within the specified time limits, the grievance shall be deemed automatically positioned for appeal at the next level with a time limit for exercising said appeal commencing with the expiration date of the District’s grace period for answering.

6.6

A Member may present a grievance and have the grievance adjusted, without intervention of the Association, if the adjustment is not inconsistent with the terms of the Agreement and provided the Association has been given opportunity to be present at such an adjustment. Individual grievances may not be moved to Level Three by an individual Member of the Association.

6.7

A Member or the Association may withdraw a grievance at any level without prejudice or record.

However, if in the judgment of the Association, the grievance presents an issue of importance, the Association may process the grievance at the appropriate level.

6.8

All information necessary for the determination and processing of the grievance shall be made available to all parties concerned within five (5) days commencing with the start of formal grievance procedure. Pertinent information that comes to light throughout the grievance process will be provided accordingly.

6.9

Any conference which may be held under the grievance procedure shall be conducted at a mutually agreeable and reasonable time and place.

6.10

Every effort shall be made to resolve complaints at their inception. A grievance procedure is intended to provide a formal means for handling those complaints which cannot, for any reason, be resolved. When a cause of complaint occurs, the affected Member shall request a meeting with his/her immediate supervisor in an attempt to resolve the complaint. The Association will be notified and may be present with the Member at such meeting. The Member or the Association may formalize an unresolved complaint by proceeding to Level One.

6.11

LEVEL ONE: If a complaint is not resolved in a conference between the affected Member and the immediate supervisor, the complaint may be formalized into a grievance.

It shall be submitted in writing within five (5) days of the meeting with the immediate supervisor. Within seven (7) days after submission of the grievance, the Superintendent will conduct a hearing. The Superintendent shall have five (5) days after the conclusion of the hearing to

render a written decision.

6.12

LEVEL TWO: If the grievance is still unsettled, the Association may submit the grievance to mediation using the services of the Michigan Employment Relations Commission (MERC) within fifteen (15) days after the reply of the Superintendent.

6.13

LEVEL THREE: In the event no resolution is reached via the mediation process, the grievance may be submitted to arbitration within twenty (20) days after the conclusion of the mediation hearing.

In the event the mediation process is not utilized, the grievance may be submitted to arbitration within twenty (20) days after the reply from the Superintendent in Level One.

The American Arbitration Association shall govern the arbitration hearing. The Arbitrator shall have no power to alter, add to or subtract from, the terms of this Agreement. Both parties agree to be bound by the award of the Arbitrator and agree the judgment thereof may be entered into any court of competent jurisdiction.

6.14

By mutual agreement, the Association and the District may enter into the processing of the grievance at any level.

6.15

The parties agree that all grievances relating to promotions, transfers, Member evaluations, and individual contracts cannot be moved to Level Three of the grievance procedure.

6.16

Each party shall bear the full costs for its side of the arbitration, and shall pay one-half (1/2) of the costs for the arbitrator.

ARTICLE 7

STAFFING METHODS AND PROCEDURES

7.1

The District and the Association agree that all positions in the Association shall be staffed by competent and qualified persons as determined by the Superintendent.

7.2

All open Association positions shall be posted for at least seven (7) calendar days prior to the filling of vacancies.

Vacancies may be filled on an emergency basis until such posting procedures can be followed. Where, in the judgment of the Superintendent, the best interest of the school district would be served, temporary appointments may be made without posting for positions remaining vacant beyond two (2) weeks. Should this vacancy exceed 90 school days, the District and the Association, through mutual agreement, will decide how best to fill the vacancy.

ARTICLE 8

EMPLOYEE EVALUATIONS

8.1

Evaluations shall be conducted annually. Evaluations will be tied to student growth and will be in compliance with State and Federal laws.

Additionally, it shall include multiple rating categories that take into account data on student growth as a significant factor where applicable. The parties agree to meet and enhance or modify these evaluation procedures as necessary to be compliant with State and Federal law.

8.3

The Superintendent shall follow the procedures listed below regarding evaluations of members not subject to MCL 380.1249:

The Evaluation shall be written, signed by both the Member and the Evaluator, and placed in the Member's personnel file.

If the Evaluation is in part or in total unsatisfactory, it shall include the identification of deficiencies and recommendations for correcting those deficiencies. During the following year, the Member shall develop and implement by November 1 a plan approved by the evaluator to address the unsatisfactory portion(s) of the evaluation. The Member will then be re-evaluated in the area(s) of deficiency.

8.4

Members will receive copies of all evaluations and may attach personal statements to them if they wish. Such attachments will be placed in the Member's personnel file.

In the event there are chronic absences on the part of a Member, s/he may be required to provide the Human Resources Division with written verification for future absence(s). No requests for verification due to chronic absenteeism shall be made, however, unless the Member has been given prior notice of his/her situation regarding chronic absenteeism.

9.11

No Member shall suffer loss of pay or reduction of sick, personal business, or vacation days in the event a general catastrophe (such as severe weather conditions, utility failure, etc.) closes down all of the school district.

9.12

For the purpose of determining approval of sick leave utilization, approval to return to work, or the right to continue to work, the Superintendent, with notice to the Association, may make a written request requiring a Member to provide the results of a physical/mental examination from the Member's doctor.

If the District is not satisfied with this report, the District, upon notice to the Association, may require the Member to submit to an examination by a doctor of the District's choice. The District shall pay for this examination.

Either party may request a third examination performed by a physician of mutual consent. This examination shall be paid for by the District. Both parties will be informed of the examination results.

9.13

A Member may be placed on an involuntary leave for just cause.

For purposes of determining an involuntary leave, the District, upon notice to the Association, may make a written request requiring the Member to provide the results of a physical/mental examination from his/her doctor to determine the Member's ability to perform the essential functions of his/her job with or without accommodation.

If the District is not satisfied with this report or should the employee not provide this report, the District, upon notice to the Association, may require the Member to submit to an examination by a doctor of the District's choice. The District shall pay for this examination.

10.8

It is specifically understood that any Member covered by any other employer paid group health-medical policy is not eligible for the above coverage. The District may require each employee to certify in writing that s/he is not covered by any other employer paid hospital-medical insurance. Any Member who has signed up for and is covered by hospitalization-medical coverage in violation of this Article will re-pay to the District all premium monies which the District has paid for such benefits. The parties agree to the following interpretation concerning dual insurance coverage:

- (1) The Member and his/her spouse may carry separate hospital-medical insurance policies, provided that no dual insurance coverage shall ensue from such insurance for the Member, his/her spouse, and any member/s of his/her family, including children. For example, the Member may select single subscriber coverage paid for by the District, if his/her spouse covers himself/herself and dependent children under another employer's hospital-medical insurance coverage.

A husband and a wife, however, who both work for the District shall not have the option of dual insurance coverage paid for by the District under two separate coverages.

- (2) The following coverages shall not be considered dual coverage for purposes of this Article.

- (a) Hospital-medical insurance coverage provided under a pension or retirement plan,

including OHIP.

(b) Hospital-medical coverage provided by another employer, but whose premiums are paid by the employee's spouse in the amount of 50% or more.

(c) Hospital-medical coverage provided through Health and Welfare Funds.

(3) The District will provide dual insurance coverage as exceptions to number one (1) above in the following situations:

(a) If legal decrees, such as divorce decrees, dictate that the dependent's hospital-medical coverage be provided by the Member and/or his/her spouse resulting in dual coverage;

(b) If pre-existing conditions prevent continuous hospital-medical coverage for the Member, spouse, and/or any dependent as a result of the transfer of, or dropping of any District or other employer paid insurance in compliance with number one (1) above.

(4) In the event that a spouse's employer refuses to drop or reduce its hospital-medical coverage, the Member shall provide a letter from his/her spouse's employer as proof of refusal to drop or reduce its hospital-medical coverage. In this instance, the District will pick up the insurance coverage for the employee and dependent children.

(5) Dual hospital-medical insurance coverage will be allowed temporarily for the Member, spouse, and his/her dependents, if the request for dependent coverage does not fall within the spouse's insurance open enrollment window period. Such dual coverage shall be extended until the effective date following the next open enrollment period.

(6) The District shall provide hospital-medical insurance coverage for the Member and dependent children in instances where the Member's spouse would lose other insurance

benefits (e.g., life insurance, LTD insurance) by dropping or reducing his/her employer paid hospital-medical insurance program.

- (7) Dual hospital-medical insurance coverage shall be allowed for the Member and his/her overage dependents, when the spouse's policy does not provide for said coverage.
- (8) The District shall allow dual hospital-medical insurance coverage when the spouse's employer paid hospital-medical insurance program covers less than 80% of reasonable and customary benefits provided by the traditional full family hospital-medical insurance program identified in Article 10.7 above, including deductible.

For purposes of implementing this subsection (8), the Association shall appoint a representative to meet with a designee from Human Resources Department in order to review Member requests for exemption from the parties' agreement of no dual hospital-medical insurance coverage because of inferior coverage. If the representatives cannot agree to approve or deny a Member's request for exemption, the Association may submit the issue to final and binding arbitration under Level 3 of the Grievance Procedure.

- (9) An annual survey may be distributed by the District to all Members carrying District paid hospital-medical insurance for the purpose of updating eligible dependents.
