Dear Stevenson Saints Family,

I write this memo to inform you that for the 2019-20 school year, we are making two changes to expectations in the school on a pilot basis and want to ensure that everyone is aware. Please note that these decisions were made to ensure the continued safety and protection of your child within the school.

1) Students will no longer be able to bring their bags, backpacks, purses to their classes. All bags, backpacks, purses must be locked up in their lockers during class time. Each student is assigned a locker with a lock/combination at the start of the year. They will be given ample practice time to ensure they are comfortable with their new locker.

2) Students will no longer be able to have access to their cell phone or electronic device during school hours. Students can bring them to school, but they have to be stored in their locker upon entering the building and until dismissal. If a student breaks this rule, the student will turn in their phone and it will require a parent/guardian to pick it up. Multiple offenses could lead to disciplinary action, but will always include a parent/guardian to pick up the phone. If you need to get ahold of your child during the school day, simply call the office at 419-2350 and we will relay the message.

As a pilot program for this year, we will be tracking the impact of these changes on student achievement and behavior. At the end of the school year we will review the impact and make recommendations to further adopt.

We will continue to work together to ensure we are providing a safe, comfortable learning environment for your child to allow them to thrive academically, behaviorally, and socio-emotionally.

If you have any questions, please do not hesitate to contact my office.

Sincerely,

Mrs. Kimberly A Doman, EdS
Principal

Excellence is the Expectation
